

Turn The Fun Up

Turn the fun up!

Turn the fun up!

Turn the fun up! Oh yeah, feel the fire!
We're in sync, climbing higher and higher.
Turn the fun up! Reach new heights!
Oh yeah, feel the energy rise!

Refrain: Let's get fired up — the night's on fire!
Everybody's dancing and taking it higher!
Turn the fun up! Feel the vibe!
Your heart is racing — you're alive!

Turn the fun up!
The night's on fire!
Turn the fun up!

Turn the fun up! Feel the bass drop!
Heartbeats racing, we'll never stop.
Turn the fun up! Make it shake the ground!
Good vibes are all around.

Refrain: Let's get fired up — the night's on fire!
Everybody's dancing and taking it higher!
Turn the fun up! Feel the vibe!
Your heart is racing — you're alive!

Turn the fun up!
The night's on fire!
Turn the fun up!

Turn the fun up! Send signs of love.
Dance closely with the people you dream of!
Turn the fun up! It's a night full of love.
You beautiful girls and boys, sent from above.

Refrain: Let's get fired up — the night's on fire!
Everybody's dancing and taking it higher!
Turn the fun up! Feel the vibe!
Your heart is racing — you're alive!

Turn the fun up!

The night's on fire!
Turn the fun up!

Turn the fun up!

Turn the fun up!
